

**To: MD Senate Education, Health, and Environmental Affairs Committee**  
**Re: SB 168 – Maryland Paint Stewardship Program**

The [Maryland Recycling Network](#) promotes sustainable reduction, reuse and recycling (the 3 "R's") of materials otherwise destined for disposal and the purchase of products made with recycled material content. We achieve these goals through education programs, advocacy activities to affect public policy, technical assistance efforts, and the development of markets to purchase recycled materials and manufacture products with recycled content. Our members include county and municipal as well as private sector recycling professionals from throughout the state.

The Maryland Recycling Network fully supports Senate Bill 168, the Maryland Paint Stewardship Program with the following amendment: Add item (G) (6) *Each county shall receive a county-specific report regarding items (1) through (5) above.*

If passed this bill has the opportunity to substantially increase recycling opportunities for a fairly ubiquitous product that is often hard for consumers to know how to properly dispose of. Paint recovery has been very successful in a number of other states. The use of a visible recycling fee, the reality that paint is usually used shortly after it is purchased and the ability to return the unused portion for recycling are among the reasons for this success. Marylanders will benefit by learning from those successes.

The Maryland Recycling Network stands ready to serve as a sounding board and resource for legislators and others interested in pursuing our mission. Please do not hesitate to contact me or our Executive Director, Peter Houstle at [phoustle@marylandrecyclingnetwork.org](mailto:phoustle@marylandrecyclingnetwork.org), 301-725-2508 or MRN, PO Box 1640, Columbia MD 21044 if you have any questions or would like additional information regarding the above.

We look forward to working with you to continue the strides we have all made to improve Maryland's recycling programs in a time-effective and cost-effective manner.

Sincerely,

A handwritten signature in black ink that reads "Peter M. Houstle". The signature is written in a cursive, flowing style.

Peter Houstle
